

Hawaii Redistricting Online assists the Hawaii Reapportionment Commission, Advisory Councils, advocacy groups, and the public to create state legislative and congressional redistricting plans following the 2020 U.S. Census.

There is a 25 minute video that describes the steps to create an account and create plans using Hawaii Redistricting Online. If you haven't watched it, here's the link:

This Click List provides additional information to that shown in the video for opening a template plan.

Click List 3 – Template Plans

Hawaii Redistricting Online has a set of tools to help you create redistricting plans. Most users find it easiest to start with the current district boundaries and adjust census blocks from there. Some users like to start from a blank map with no census blocks assigned. Two Congressional template plans were shown in the video. There are now template plans for State Senate and for State House for each Basic Island Unit, both blank and current:

- Hawaii State House (blank) and (current)
- Hawaii State Senate (blank) and (current)
- Kauai State House (blank) and (current)
- Maui State House (blank) and (current)
- Maui State Senate (blank) and (current)
- Oahu State House (blank) and (current)
- Oahu State Senate (blank) and (current)

Plans developed by the Hawaii Reapportionment Commission Technical Group (TG) and presented to the Commission will also be available in the "Choose Template Plan" window, each starting with "TG – ". Right now there are two:

Plan Name	Owner	Description
TG - Congressional (alternate)	RoyceJones	Technical Group - Alternate Congressional Plan - improves overall deviation from 0.60% to 0.34% - presented to Commission at 9/9/21 meeting.
TG - Congressional (current)	RoyceJones	Technical Group - Congressional Plan using existing district boundaries, no changes, overall deviation 0.60% - presented to Commission at 9/9/2021 meeting.

Once the Commission chooses one of these plans, it's prefix will be changed from "TG – " to "proposed – ".

When you start Hawaii Redistricting Online you will see these template plans (and others in the future) in the "Choose Template Plan window.
